* Para montar en portamoletas modelos M8 15.04 / M4 20.08 / M4 25.08

* The rolls could be fitted in these tools M8 15.04 / M4 20.08 / M4 25.08

HERRAMIENTAS DE BRUÑIDO BURNISHING TOOLS

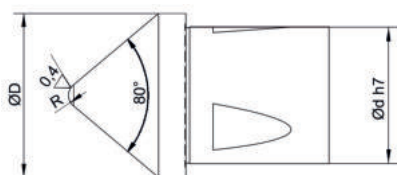

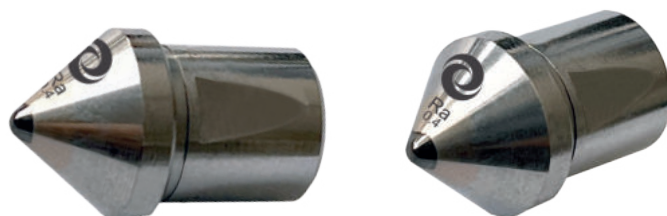

Diamantes de bruñido Burnishing diamonds

+ Características

- Punta de diamante de alto rendimiento
- Para bruñir materiales de hasta HRC 63
- Superficie pulida Ra 0.2
- Varias posiciones de uso mediante indexación de la punta, para alargar la vida de la herramienta

+ Features

- High performance diamond tip
- For burnishing materials up to HRC 63
- Polished surface Ra 0.2
- Various positions of use by indexing the tip, to increase the tool life
